Hi Catherine,

On behalf of Concerned Citizens For Kirkwood Bowl I'd like to request your attendance at a site walk that was asked for by the developers of our paper street, Crikler Way on Saturday, January 16, 2016 at 8350 Grandview Drive in the Kirkwood Bowl of Laurel Canyon. I believe that CD4 has a vested interest in what is happening there and this will be the only opportunity for the stakeholders and David's office to question the developers directly.

In view of the recent article in the New York Times about real estate, mega mansions and LLCs in the Hollywood Hills, this particular project has an urgent relevancy. I know its a Saturday morning, but this is a precedent-setting case. Please let me know if you think CD4 will be able to send a representative or two.

Thanks and best regards,
Happy holidays,
Skip
